J OHOR GOLF & COUNTRY CLUB DIGITIZED OPERATIONS

We are pleased to inform that we have acquired a new digitized golf management and operations system. By digitizing our Club's operations, we expect a better working environment across the board, with less manual activity and less human error. Departmental mod ules are fully integrated, resulting in increased data accessibility and decreased paperwork, as well as red uced paper use. Automation allows management to access timely reports and statistics in order to assess the club's performance.

AIbatroz , our App creator, is a reputable hospitality software developer , which is well-known in steering golf clubs to the New Normal through digitalization. Through their collaboration with the Malaysian Golf Association, AIbatrozz is the exclusive provider of handicap calculation and indexes through the WHS mobile app for Malaysian golfers. This system is also used by established clubs such as TPC KL and RSGC.

J GCC MOBI LE APP

The §ohor Golf & Country Club Mobile App is an exClUsive app for our members and one of the first among clubs in Johor. The App gives club members access to a variety of our club services, including a digital membership Card, 24/7 online tee booking, events info, member directory, and more. We are excited to enhance members' experience with the I GCC mobile app, which will include the following features:

- Digital Membership Card with QR Code scan ning for verification
- Members' Profile Management — members can update their own profiles
- Allows members to view their club spending in real time
- Monthly Accounts Statements are available in the mobile app with the option of paying online
- Search & view availability of golf bookings 24/7
- Book golf tee times and facilities
- Self-score submission
- Check Club Updates on Events & Promotions
  CASH LESS Payment
- Contactless service — Stay safe and for the convenience of members
