Security, Health & Environment : Dr. Sarjit Singh Amar Singh
Sports & Recreation : Ms. Mala Nathan
Caddy Affairs & Services : Tuan Hj Suhaimi Bin Othman

CAPTAIN'S CORNER

Assalamualaikum and Greetings to all.

It is a great honour and privilege to be appointed again as Captain of the Club for another term. I thank the President of the Club, YAB Datuk Onn Hafiz Bin Ghazi, Menteri Besar of Johor for the re-appointment and for the confidence.

I will endeavour to ensure that the ongoing re-development works for our golf course, clubhouse and driving range progresses smoothly and as planned. Our 2nd Nine (Northern Nine) is expected to be completed and ready for play by end of this year. The construction of the Driving Range building is also progressing well. The Driving Range will be a good source of income for our Club if planned and managed well.

With the re-development of our Club, our Club will be entering a new era. The mindset of our members will need to be changed. We would need to ensure that the Club is financially independent and no longer relies on the Government for financial aid. We would need to generate our own sustainable income so that we can manage a healthy self-funded Club. As a member of the club, we need to support our Club in every possible way that would include our activities, our spending, and our moral obligations. Together let's love and care for our Club.

Additionally, to develop into a prestigious and respected Club, each and every member of the Club has to play their part and act with the utmost decorum and etiquette, respect one another and speak courteously and tactfully to one another as well as to our staff. We must conduct ourselves as true and proud members of a prestigious club.

I also urge our golfing members to care for our course. There are still members who do not repair their divots, ball marks and rake the bunkers. I humbly request every golfer to be considerate and responsible and do his/her part so that JGCC will always be a truly enjoyable place to play golf. Please also drive the buggy with care. Many of our buggies have been damaged and spoilt due to members' carelessness and recklessness. I also request all golfers to report any damage to the buggy to the Buggy Master so that immediate and necessary action and insurance claims can be made towards the repair of the buggies.

I would also like to take this opportunity to extend a warm welcome to the recent batch of new members. I look forward to meeting all of you.

Lastly, efforts are being made to organise games, competitions and activities for members. Please support these games and activities as they are organised for the benefit and enjoyment of all.

Thank You and Love Our Club!

MOHD ANIZAM BIN JAMIAN
CAPTAIN

HEALTH & SAFETY ON THE COURSE

We wish to advise members not to exert themselves if they feel tired or unwell. Recently, a member collapsed while walking towards his trolley and hit his forehead on the buggy path. He bled profusely and was brought to the hospital by our staff for treatment and required 9 stitches to sew the wound close. Fortunately, there was no internal bleeding. If you feel tired or unwell, please stop playing.

On the issue of safety on the course, we wish to advise members to drive the buggy with care. Recently too, a member drove the buggy into a bunker. In another incident, 2 buggies collided as one member drove too fast around the blind and sharp corner and crossed over to the other member's lane. Please drive the buggy slowly while going downhill or around turns.

Other Safety Precautions

- Do not hang your feet, legs, arms or hands out of the buggy while it's in motion.
- If there is lightning or there is a blast of siren, stop play immediately and head for the clubhouse or shelter. Stay away from trees and do not stay in the buggy.
- Yell "Fore!" or "Ball!" if you hit your ball in the direction of other golfers.
